First check if Magnific Popup is supported by your theme or not

```

/*Check if magnific_popup is installed or not*/
function check_magnific_popup() {
    $scripts = wp_scripts();
    foreach ($scripts->queue as $script) {
        if (strpos($scripts->registered[$script]->src, 'magnific-popup') !== false) {
            echo 'Magnific Popup is registered and enqueued';
            return;
        }
    }
    echo 'Magnific Popup is not registered and enqueued';
}
add_action('wp_head', 'check_magnific_popup');
